## Scholarship

Be it resolved that all Chapters of the Phi Kappa Psi Fraternity be required to maintain an average in excess of the all men's average at their institution of learning, or in excess of a 2.5 (on a 4.0 base), whichever is higher. That all Chapters shall request their respective campus governing offices to supply the Director of Scholarship with those figures on a semiannual or quarterly basis as is appropriate with the academic schedule of the institution involved. That such Chapters that fail to meet these standards, shall, at the Grand Arch Council assembled, be required to show just cause why they should not be reprimanded, placed on academic probation, or placed under an academic or general Supervisory Committee.

### Fraternity By- Laws, Article VI, Section 6., Clause 2 (excerpt)

....each elected officer of the Chapter, except in exceptional circumstances, [must] meet personally the Fraternity's standard for grades required of Chapters, effective September, 1989
